Where: Colina Del Sol Park
5319 Orange Ave., San Diego CA, 92105

Contact: Claire O'Leary, STAR/PAL
Cell: (619) 851-9391

HD Supply Facilities Maintenance is teaming up with STAR/PAL to host “Pick up the Park,” an event with over 150 corporate, community, and law enforcement volunteers coming together to give Colina Del Sol Park in Mid-City San Diego a “face lift” and create a more enjoyable place for local youth and their families to spend time. During the “Pick up,” members of the HD Supply Facilities Maintenance associate volunteer group “ACT” (A Community Team) will be working with STAR/PAL officers and various community groups to make significant improvements to the overall appearance and physical landscape of the park that serves as home to the STAR/PAL Center to Serve Youth.

“Pick up the Park” is part of ACT’s mission to support nonprofit organizations whose primary charter is improving the community and enhancing the lives of local families in neighborhoods where HD Supply Facilities Maintenance has a presence. Each year, HD Supply Facilities Maintenance associates across North America participate in various community outreach projects, making their communities healthier and safer places. The mission of STAR/PAL, located at Colina Del Sol Park, is to empower underserved youth to build a safer and more prosperous community by engaging with law enforcement and other collaborative partners.

Members of the media are invited to attend this event. Members of the STAR/PAL staff and ACT will be available for comment. Video opportunities include volunteers picking up trash, painting, laying block, planting, weeding, and sweeping.

“Pick up the Park” Event Sponsored By:

Bringing youth & law enforcement together TODAY to build safer communities TOMORROW
