Local celebrities are teaming up to help underserved children in San Diego by offering their services as “Celebrity Waiters.” Chargers and Padres players, public safety officials, local media personalities, and more will pull out all the stops as they bring guests lunch and other surprises in exchange for “tips,” all to benefit STAR/PAL youth programs! These determined “Superheroes for Youth” will creatively entertain over 500 attendees in order to part them from their cash.

Every dollar raised at the Celebrity Waiter Luncheon helps STAR/PAL keep kids stay safe, in school, and away from crime & violence. STAR/PAL officers from the San Diego Police & County Probation Departments provide unique youth programming in underserved communities, empowering at-risk youth to build a safer and more prosperous community by engaging with law enforcement and other collaborative partners.

Members of the media are invited to attend this event. Members of the STAR/PAL staff, Board of Directors, San Diego Police and County Probation Departments, and select Celebrity Waiters will be available for comment. Video opportunities include Celebrity Waiters engaging with guests as well as a silent and live auction.
